Membership or Affiliation with the Church of the Southern Cross

Ministers, Congregations, and Religious Orders

The Doctrinal Essentials of the Communion of Evangelical Episcopal Churches (CEEC) provide the foundation for what we believe. They are a statement of basic Christian belief. The CEEC is part of God's one Holy Catholic and Apostolic Church and we believe that if you have already been baptised and confirmed that you are already a member of his universal Church.

To become a member of the Church of the Southern Cross you need to affirm your belief in these basic statements of the Christian faith and that you have read and are in agreement with the Constitution of the Church of the Southern Cross.

If you are a likeminded minister, pastor, or clergy member and are interested in affiliating with this church, please read the *Ministry Application Package*.

Sign the forms at the back of the application package and send them to the above address, along with copies of the documents requested.
